In the G.O. cited above Government sanctioned the continuance of the Coir Demonstration Unit in South Kanara District for a period of one year from 12-10-51 for conducting demonstrations in improved methods of coir industry. The sanction accorded will expire on 11-10-52.

2. In my letter No. 2264 S4/51 dated 12-10-51 containing proposals for continuance of the Unit submitted last year I had explained in detail the origin and growth of the demonstration unit and the results achieved till then. The demonstration unit which was functioning at Shiriya Village from 17-4-1951 was shifted to Manjeswar Village in the same firka from 10-5-52 with the concurrence of the collector of South Kanara. Only one lady demonstrator on a pay of Rs.45-3-75 p.m. has been employed for conducting the demonstration and she has been imparting training in the manufacture of coir yarn by the use of the charka, soaking and retting of husks, cleaning fibre by willowing machine and making of chain mats. More than 150 persons were given training during the year in Shiriya and Manjeshwar Villages.

3. As a result of the demonstration in Ullal, a Coir Workers' Co-operative Society has been organised and is reported to have commenced working recently. I consider it would be useful to conduct the demonstration in some more villages in the district. I, therefore, request that Government may be pleased to sanction the continuance of the post of a demonstrator on Rs. 45-3-75 p.m. for a further period of one year from 12-10-52 and an expenditure of not exceeding Rs. 300/- towards T.A. contingencies etc., as detailed below on account of the demonstration.
